

\$10 Off First Pediatric Dental Visit

(new patients only)

At Dr. Adams' office, we give our utmost to make you and your child comfortable during treatment by explaining procedures thoroughly and utilizing the most current techniques and technology available in dentistry.

We will strive to provide a positive, nurturing atmosphere for your child so that the entire family will look forward to their next appointment. We commit to providing your child excellent oral health care and orthodontic supervision during their growing years.

Dr. David C. Adams, DDS, MS
